

# Alternative Transport Week — Jersey —

16<sup>th</sup> to 20<sup>th</sup> May 2022

Alternative Transport Week challenges all islanders across Jersey to ditch their cars for a week and either bus, cycle or walk to work. Businesses are invited to support the challenge and their staff in taking part

[#altnativertransportweekjersey](#) [#atwjersey](#)

Take a back seat on your commute by letting someone else do the driving and go by bus. Spend your journey talking with family and friends or catch up on your reading.

Get on your bikes, with friends and families, to cycle into work for the week and skip past traffic with a door to door commute.

Walk to work, enjoy the sunshine and the beauty of our islands. Get those legs going and improve your health and wellness with a daily walk.

## How?

- [Liberty Bus](#) have timetables and journey planners so you can plan your journeys for the week as well as details on [fares](#) and [tickets](#)
- For any under 18 year olds in your household sign them up for the [Avanchi18 card](#) to get the £20 per annum travel card
- Check out the school bus routes to help get your little ones (and big ones!) to school ([Hautlieu](#), [JCG](#), [Victoria College](#), [De La Salle](#), [Beaulieu & FCJ](#), [Granville & Haute Vallee](#), [Le Rocquier](#) and [Les Quennevais](#))
- Use the Jersey Bus Tracker app to watch Jersey busses in real time

- [Let's Ride](#) will be providing guided rides from and to each parish so you can meet with a group and cycle in greater numbers for safety and confidence
- If you cycle on your own, try a scenic route and create a GPS map!

- Find a walking buddy and make your commute part of your day to connect with friends and colleagues
- Count your steps and see how many you can do in the week
- Make a GPS map and share it with us and on social media

Share your stories with us and have fun!
